PROFESSIONAL SUMMARY

As a Full Stack Developer and Graphic Designer, I have knowledge and experience in building responsive web applications and designs for users. My skills cover a wide variety of projects, which include website and application development, as well as layout and prototype design. No matter if it is technical web development or creative design work, my objective remains the same, which is to provide the best quality and effective solutions. I am a team player and I am able to work on my own to develop concepts from scratch. Being extremely passionate and creative is the reason why I am constantly looking for new development and design skills.

- PHP
- Python
- Adobe InDesign
- Adobe Photoshop
- Adobe Illustrator
- Adobe XD
- Figma
- GitHub
- Procreate
- Wordpress

EXPERIENCE

IT Career Switch Ltd

Full Stack Developer

2023-2024

Portfolio Project: "Gazetteer"

- The specification was to reply to a website specification for a map-based app to provide information on countries, with a focus on a "mobile-first" development. Preferably using a framework, to then develop HTML, CSS and JavaScript with JQuery modules that use PHP server-based components to source data from third-party APIs (Geonames, OpenWeather). The solution is assessed on its delivery to specification, functionality, and usability.

Portfolio Project: “Company Directory”

- A more rigorous reply to this specification was required as a user requirements document was needed to be prepared which, when signed off, triggers the release of SQL allowing to develop a “mobile-first” application to maintain a company personnel database (MySQL). Sign off is only achieved upon the student supplying an independently witnessed document providing confirmation of the system’s ability to perform error-free.

Portfolio Projects: “EduLearn”

2024

Web Design– Full Stack Developer

- Designed and developed a tutoring website EduLearn; and worked towards making it user-friendly and interesting by implementing a fully responsive design. Designed models and style guides in Figma and afterward coded the website using HTML, CSS, and JavaScript. Used PHP programming language to create the contact form and ensure user-company email correspondence. Emphasis was also placed on typography, colour scheme, and layout to design a platform that is not only visually pleasing, but also functional.

Skills

- HTML, CSS, Figma, JavaScript

Portfolio Projects: “BookReviews”

2024

Web Design– Full Stack Developer

Created a book evaluation platform where users can sign up, log in and view reviews on any book they want. Incorporated modal and multi-page navigation for smooth user experience. Used JavaScript, PHP, and MySQL to manage user data, book grids and brought in graphic elements created by Adobe Illustrator to ensure the sites aesthetic appeal. This was maximized by integrating mobile responsive features that ensured the site engaged the users fully.

Skills

- HTML, CSS, Figma, JavaScript, PHP, Adobe Illustrator

Tesco

2021-Ongoing

Store Assistant

- As a Tesco employee handling both in-store customers and online orders, I'm the bridge between the digital and physical shopping experience. Whether I'm assisting customers in finding products on the shelves or ensuring online orders are accurately fulfilled and delivered on time, I'm here to ensure every customer's needs are met with efficiency and a friendly smile.

Skills

- Communication, Patience, Determination, Punctuality, Kindness, Hard-Working

Herbert Art Gallery
Assistant Volunteer

2019-Ongoing

- During my volunteer experience at the Herbert Art Gallery, I organised art rooms for children and their parents, communicated daily activities, and provided constant support and guidance. This role enhanced my organisational and communication skills while fostering a welcoming environment. I thoroughly enjoyed helping families and contributing to their enjoyable and educational experiences at the gallery, reinforcing my passion for art and community engagement.

Skills

- Leadership, Planning, Passionate, Teaching, Friendly

Ravensdale Primary School
Teaching Assistant Volunteer

December 2018-January 2019

- I played a pivotal role during lessons, assisting children with their learning by providing support and guidance. Whether helping with complex math problems, guiding reading passages, I facilitated their educational journey. This experience not only contributed to the smooth operation of the classroom but also allowed me to foster a positive and supportive learning environment, witnessing the children's progress and confidence grow.

Skills

- Teaching, Communication, Leadership, Enthusiastic, Creative, Discipline
